**Powerful Psychic:**

Heal ~ Healing

Soul~Mate Love, Baby

Wealth~Abundance

Doug Baker led a "Guided Meditation" the other night over at the MountainTop, which is Mary Bauer's longtime Astrology Center way up Salem Avenue almost to I-70 in the very North West Corner of Dayton. I dropped in for some "Psychic Development Class" and the guided meditation went something like this:

*"So Open Your Mouth and Shut Your Eyes (As best I remember, kinda lost track of the time)*

And there you are on such a warm Spring day in late March in our lovely Ohio woods and wooded areas surprisingly pristine scattered still in hilly areas as yet spared the trump and sprawl of real estate schemes.

Walking Now in the afternoon, with the sky so Blue, Azure so and not a chemtrail at all. Warm too, even hot and can smell that exciting first Warmth; hope it lasts; yet Winter remains nervously close by. A path taken from the car parked; up to the woods and into them straight away; first one way up, then gently switching back another. Up some more into these climbing woods. Circuitous path spiraling up deeper still into the silent darkening forest.

Sun still out in full Springtime blaze, but can only glimpse a bit of glittering Sunlight's sparkle because big trees make it all pretty shady: even though tiny Green Bud leaves way up high have hardly had a chance to feel their sap rising. A mixed hardwood forest as once found all over O-HI-O. Oaks abundant, Maples sure, giant Tuliptrees, Red Elm, Wild Black Cherry: talking tall trees, big around and not much brush; Just big trees going up this winding hill as forest path goes, only broken by Limestone outcroppings flanking. Cool~Still, very quiet silent; must be like some old time Shawnee Indian slipping along lest nobody heard a thing. Climbing by now... Gee, the path strains its way up to an old rocky top...

What? was that a gurgle or a babble...? Wait! Water flows, a little falls right near the very top. Quick! Cannot resist hands and knees to lap one big hillside thirsty drink... So Quenching. Now Following that water-fall right up to Spring's Source, just near the very apex. Unknown and almost hidden in shade's abode; until now . . . P'Peering gently into the mystery of this ancient, knowing, Water; Knowing Water Alive living from depths of Earth Mother. Mighty cold; that would be about as cold as Water cold can be~Summer Fall Winter Spring. Mysterious Source into, peering; gazing attention into Water's Restful Bliss. My Eyes' Visual Ray, I tumble after. Almost lost in meditation timeless. But What? A face looks back HUH? Who that? now who's coming up skinny from Water's depth? Moving, a shimmer: A Face! Why it ~ It's ME! Good Lord. Found myself at last! Or did My Self find me? ( Hummn, Wake up! Scurry now back down to car before completely dark yet with memory to keep )

This is where we meet. The Unitarian/Universalist Fellowship kindly rents their space to us...

*Yes, Wisdom Quest only meets at the U/U.* Frankly, some of our material may be "too much, too soon" for the kindly Christian Conservative types of the Unitarian/Universalist Fellowship. Gee Whiz ----> Flying Saucers, Free Energy, Alternative Healing, New Age Revolution: Now, what be "Politically Correct" about all that? Not very much, fer sure. Thus, we understand how many folks at the U/U don't want to get any of us ~ on them...

How soon we forget that "Great War" underway only 100 years ago. France, England and Italy brought their Coloured Imperial Subjects into Europa, dressed them in uniform costumes and enslaved them to serve as Truck Drivers, Laborers and Logistical Support Troops. The Germans were horrified by such shameful, "Un-Gentlemanly" behavior. (Yes, they were... They still clung to "Chivalry" even though they had no Coloured Colonies...)

*Gee, what Woulda been like if we had not listened to the Neo-Cons (Neo-Cons: "Anti-Semitic" ? Yes very, Neo-Cons are mostly Jewish; but not all ) like Paul Wolfowitz and Douglas Feith and other architects of "Project for a New American Century" ? Instead of Freak Out of WAR we could have had some of that California Girl, [Isadora Duncan](#), who danced naked way way ahead of her time in pre-war Paris and Grunewald Germany, establishing commune schools along the way.*

Self Portrait: "[As Mars](#)" 1915 Otto Dix  
Many Images from Great War are by German Art Genius: **Otto Dix**, later classified as one of the "Degenerate Artists"; even though a combat Veteran.  
[http://www.bad-bad.de/burda-museum/entartete\\_m.gif](http://www.bad-bad.de/burda-museum/entartete_m.gif)  
In the second year of WAR, he depicts himself as the [God of War](#) with angles borrowed from Cubism. In this scene, death is abundant. Horses rear and flee. Buildings burst open and cities crumble. Yet Dix remains alive. Survival under such circumstances might give anyone a messiah complex.

**But why? Baby Why? have we embraced WAR? Can't think of anyone who does not sink into this self-destructive pattern: Persons, Countries, Religions, Civilizations, Races, Cultures.**

**Let's look to German/Austrian Scientist Wilhelm Reich M.D. to learn something about ourselves: "The Biological Miscalculation in the Human Struggle for Freedom". [https://en.wikiquote.org/wiki/Wilhelm\\_Reich](https://en.wikiquote.org/wiki/Wilhelm_Reich)**

**A Wilhelm Reich idea this one; and pretty important if Revolutionary Change be our goal. We remember Wilhelm Reich, M.D. The "Orgone Energy" guy. He started as protégé to Sigmund Freud in Vienna after The Great War ended in defeat for the Axis Powers. Going to medical school under the German Veteran's benefit program, combat veteran Wilhelm Reich soon gravitated to the intimate circle around Dr Sigmund Freud. (START YOU OFF ON WILHELM REICH FOR AWHILE, THEN TEMPT WITH A BIT OF TESLA; AND THEN, and only then.... Test you Again to see if your dumb Black Asses have learned anything. What this means is that we are all "Armored" in a Reichian sense; which means most all of us: Burdened with Secondary Drives; which means our actions not always to be trusted)**

*Mass Psychology of Fascism- 1933*

Reich observed that a loosening of socially dictated mores and conventions did not result in natural expressions of love. Quite the contrary in fact; when released from patriarchal dominion, quite often a person's secondary drives would be manifested by homosexuality, sadism, masochism, and other perversions we shall not describe herein. Dr. Reich observed and studied many cases of aberrant secondary drive behavior during travels in Russia and Germany. He described them in: [The Mass Psychology of Fascism](#), 1933. A later edition includes an important essay called: "The Biological Miscalculation in the Human Struggle for Freedom" published in the International Journal of Sex-economy and Orgone Research, New York 1943. Briefly stated and paraphrased: "The biological miscalculation is that armored adults really do need a system of patriarchal morality to hold in check a lifetime of pent up secondary drives". What this means is that revolutions such as Communism or Fascism may well change everything; but the new regime will not know any better and/or forget to change the basic character structure of the people; resulting in an awful outpouring of secondary drives: murder, rage, violence, and WAR. *(In other words, the kill is worse than the cure, if you know what I mean. Translated that means "The Terror" of the French Revolution was far far worse than the "let them eat cake" attitude of Marie Antoinette, wife of the French King, upon being queried by members of the French Press at that time as to what "The People" should do, in response to Bread Riots in Paris getting frisky.*

*Let'em eat cake, ("Qu'ils mangent de la brioche") allegedly she said to the concern there was no bread. Let them eat cake... and Revolution's On! Despite lofty ideals of "Liberté, égalité, fraternité", the result was a generation of Napoleonic WAR!*

While Reich's therapy described in: [Character Analysis](#) (1933), was a success, but hopelessly inefficient to have every member of society undergo a lengthy and energetic therapy to restore, what should be, a naturally present condition. The armoring process, once past puberty, is difficult to reverse. Children, on the other hand, are born unarmored and have a good chance of growing up as Nature intended; if they are not traumatized or, worse yet, aborted first. [\(Abortion: the blood sacrament of Feminism\)](#). A Self Suicide going on here; some think they are smarter than their Mother... Nature, that is: [http://mylifeinreflection.blogspot.com/2004\\_12\\_01\\_archive.html](http://mylifeinreflection.blogspot.com/2004_12_01_archive.html)

Reich realized that efforts to cure mankind of armoring would be futile; only the affluent would have the time and wherewithal to benefit from his therapy. Also, he was becoming bogged down with patients and was neglecting his laboratory work. Dr. Reich returned to his first love, research. Reich's celebrated contributions to the field of psychoanalysis and its related sciences, can best be presented in three different periods of endeavor: The First period was in Europe, where as a medical doctor working with the new science of psychoanalysis led by Sigmund Freud, he made his first important discovery; the Life Energy, which he called "Orgone." Sometimes the "Id" or "Libido" as a more recognizable word today. <https://en.wikipedia.org/wiki/Libido>

**CHECK IT OUT: WILHELM REICH, MD, DISCOVERED "THE FORCE" AND CALLED IT ORGONE. *IT IS THE ID!* WE HAVE TO KNOW THIS TO GO FORWARD.**

# Psychotronic News

Émile Augustin Cyprien Driant (11 September 1855 – 22 February 1916) was a French writer, politician, and army officer. He was the first high ranking casualty of the Battle of Verdun during Great War. **A Total Stud:** The initial German infantry attack fell on the Bois de Caures, defended by two French battalions of Col. Emile Driant. His valiant defense delayed the German attack, but Driant was killed and his two battalions wiped out. America has never ever produced anything like this except maybe Bedford Forrest or Tom Jefferson. And yet for what? **THE HARVEST OF WAR!** Best we awaken from our Slumbers... Donald Trump called it right, Children: Get Neutral quick in Israel/Palestine and get the Hell out of Iraq... Afghanistan, Syria, Libya and all those other places that Bush, Hillary and the Neo-Cons got us into.

Our Economy? War Baby... Ever heard of Wright Patterson Air Base; That is all we do. We are an Empire now. One thing White Men do very well, that is White Men, White Men, White Men. NOT "brave men and women in harm's way" It's the White Men; most usually French, Scottish, Irish, English, German, Russian, Yanks. White Men are very very good at this one thing.

Hillary Clinton? WAR PARTY

Barack O'Bama? WAR PARTY

Marco Rubio? WAR PARTY (Newly designated Puppet of choice by "Establishment"; since *Jeb!* floundered )

All the Republicans? WAR PARTY (That means you, little "moderate" [John Kasich](#) Governor of Ohio )

All the Democrats? WAR PARTY

Sure, go ahead and vote! Vote all you want, Chump!

We are gonna stick with this Wilhelm Reich thing; after all he did discover Life Energy, "The Force" and called it "Orgone". No not those fakey Orgonite stupid things from Renaissance Healing Fairs from polyester casting resin and bits of crystal, but the real deal... TO BE CONTINUED AND CONTINUED AND CONTINUED SOME MORE, UNTIL WE "GET IT" and get it good. How long might that be: Well Depends upon how smart you think you are. (See Me Looking at You ? **Smile Back** and Say: "Hi")
