Breast Cancer Cure? Absolutely!

**At The Wisdom Quest Meeting...
Mr Carmi Hazen, from Cleveland, Speaker**

 - Just Say "No" to Cut, Burn and Poison
- When? Thursday 7-9pm February 16, 2012
Where? At the Unitarian/Universalist Fellowship
2884 US Rt. 68; Yellow Springs, Ohio 45387

Telephone Bruce Forrester for details (937) 429 3847

- "Health", as we all know (better by now); comes from 3 things:
(Just ask Debater Rick Perry, Republican Governor of Texas)
- Good simple nutrition: This means Real food; but delete all the white sugar, white flour, white rice, fast food, canned goods, instant foods in a box, snack foods and "nutrition" candy bars, instant frozen meals of the TV dinner variety and any sort of "diet food" featuring aspartame or diet soda or "Low Fat" anything... For an idea of about "Real Food", check out the work of Dr Weston A Price: <http://www.westonaprice.org/>
(you getting the idea here?)
(The Alternative: Make Cancer your friend)

"Health" comes from three things.

- **Exercise:** Walking is so good, almost perfect; that is why in mean old New York City, you don't see too many fatties; everyone walks to everywhere.
- **Sleep, my pretty...** Don't think you are a "night person"; you can fool most of your family, friends and especially yourself; but you won't fool Mother Nature for very much longer...

Simple really:

One: Nutrition; (did we mention **Water:** Not coffee, which dehydrates)

Two: Exercise: Gardening is good; so is Golf, especially if you walk.

Three: Sleep: Ben Franklin had it right: Early to Bed, Early to Rise...

Cast away illusions about some exotic machine which will function as "Deus Ex Machina" (Radionic, Psychotronic or Frequency Vibrational) which will override and overcome a life pattern of American Exceptionalism and the Rush Limbaugh diet.

Mr Carmi Hazen, from Cleveland, Speaker

"Such is the power of the human body to heal itself. By assisting the human frame in the natural healing process, alien material is expelled via the elimination channels, and in the case of breast cancer, the shortest exit pathway is through the skin of the breast itself... There was no pain and the exit ulceration is healing quickly and it will not leave a scar. Some slight skin discoloration will be the only evidence of this easy to replicate miracle. The problem is solved!"

Much chatter of late about more War...

The usual suspects: Republican presidential candidates (except for Ron Paul); Talk Show Pundits; NeoCons & Christian/Zionists; and more disturbingly President Barack Obama, who now declares America marches in "lockstep" with Israel to start another War... Not if but when: Perhaps when the Spring "Fighting Season" opens up in 2012.

Even such places as <http://the2012scenario.com/>, who ought to know better; foolishly support our puppet President. We have elections every few years in order to "throw the rascals out". But "Meet the new boss; same as the old boss"...

Ready to be fooled again?
