## **Last Month: Lightworker Karen Edgemon**

**Friday, June 19, 2009**

**Hello Karen,**

**Well Done last night at the Wisdom Quest Meeting...**

**We had 48 people and \$125- in the "Love Basket"!**

**Lots of material you presented. Not just a Freshman or Sophomore level; more like a Graduate level seminar... Very tightly packed and advanced; intense material on multiple levels... Obviously Spiritual; and yet more ~ much more:**

**Nice physical presentation as well... the medium is the message where you are concerned. Good movement; well animated; and nice Trapezoids and Delts and Biceps and Pecs... it's all part of your package I would say. What we saw is what we got: A Vision of the World the way it still could become...**

**Very effective Singing Crystal Bowl; nice and loud; and what an incantation!**

**We were fortunate to have you Karen.**

**Fondly,**

**Hi Bruce,**

***Your review is so kind. Thank you. It was an honor to speak for the Wisdom Quest Group. I definitely have room to improve on my message and presentation. There were a few KEY points which I forgot to tie into the circle. OH WELL... I worked well into the night sending those keys to those who may not have been able to understand the message I meant to convey concerning that very first initiation in the consciousness of Christ. I forgot to finish the story and that was where the message was...although I did mention it later it was not with the emphasis intended. The point was that I mustered up the will and blended it with love and then pierced the veil into an inner court of place where I could be taught directly by the Master's Voice...in whatever form the master might embody. The message and the Master or the messenger as an Angel is the same. Just as when a dragon fly is in its truth and passes from physical to spirit, the blueprint or archetype of what it IS remains in the consciousness of whatever it IS. Anyway..i burst right through Heaven's gate and ran to JC...pulled that dagger out and kissed him directly on the lips...He opened his eyes... I knew he knew it was my hand that threw that dagger and his gaze was complete loving kindness that he received me. He took me in his arms and rocked my as I was a baby..it is the same motion I give for he heart chakra in my meditations...I learned forgiveness was an illusion because he showed me he had never died...it was an illusion I needed to really know what I was made of. I participated in my own personal passion play, with my higher self as the instigator of internal conflict big enough for me to muster up the will to enter into this sacred and holy place. This is a group INITIATION which we are preparing for...it is that of knowing there is no death. This is through a mass initiation called Resurrection. We change form...which is death, without losing consciousness and so we have the opportunity to take with us the gifts of consciousness of self which we have earned through the fourth dimension of known cycles. Oh well as I said, I did intend to say these things and I am not so sure I did. SO I prayed for several hours following my talk and sent it all out via the messengers. I sure hope everyone got it.! J I feel a little silly relaying this to you after the fact. Just smile.***

***Blessings and with My gratitude for hosting Wisdom Quest, allowing me the opportunity to speak, and for your very kind review,***

***Namaste!***

***Karen***
