**I would like to share my personal
perspective and process of Initiation
through the Office of the Cosmic
Christ, and the Orders of
Melchizedek,
Metatron/Enoch, Michael and more.**

**Included will be my personal
"Contact" experiences as a child
with extraterrestrials...**

SPEAKER: Karen Edgemon

"The Keys to the Kingdom"

***Connections with Angels, Spirit Guides, and
Ascended Masters***

More about our Speaker:

My experience correlates with the myths of many Masters who have achieved freedom from the karmic wheel of rebirth and activated our cosmic perspective and divine archetypal patterns. Initiation opens many levels of service and with it gifts which are unseen and often overlooked.

I will speak of the three degrees of Initiation through the Office of the Christ, the 7 dimensions of time as they relate to graduations in consciousness, the chakras, and the big shift in consciousness presently underway. I realize my experience is directly related to mystical kabala but it also is in direct correlation with many indigenous and ancient myths. I will introduce the mental Yoga of Synthesis. I plan to do an OM crystal bowl opening ceremony and blessing for the group and I will lead the group in a guided active and contemplative method of contemplative meditation at the closing of our meeting."
