Symbolizing Dawn of  
New Age Coming...

**Greetings again in advance of our May 21 meeting on Thursday, 7pm at Creative Memories (formerly the Antioch Publishing Company.)**

About 43 of us were there in April to hear Darrell Brann and "Harmonics of Healing". With Chi Generators and Music of The Spheres, Darrell did not disappoint... To 10:30 pm we lingered still yearning for the comradeship and questing after subtle etheric interdimensional truth. Emerson King got to be the "Experimental Subject" for the healing modalities from Darrell Brann, who put on a workshop as well as private sessions over the weekend.

## **Obituary:**

### **ROBERT E. BEUTLICH**

Robert "Bob" E. Beutlich, 85, of Elkhorn, died March 23, 2009, in Crystal Lake, Ill., with his family by his side. He was born Sept. 7, 1923, in Chicago, to the late Rolf and Esther (Saylor) Beutlich. He served in World War II with the U.S. Army 6th Division, Company F, in Asiatic-Pacific Theater and was active in the Veterans of Foreign Wars.

He was employed by channels 5 and 11 in Chicago in television broadcast engineering. He was also engineer and CEO of United Industries and engineer and president of Rebco Industries.

He enjoyed ballroom dancing, gardening and "strange physics." He was a founding member of the United States Psychotronics Association from 1975 to 2009 serving as conference organizer and secretary-treasurer from 1981 to 2007. He was also a 6th Division reunion organizer and worked on its newsletter, 2000-07.

Survivors include his children, Keith (Char), Lake Villa, Ill., Terry Berglund, Cumming, Ga., and Scott (Michelle), Crystal Lake, Ill.; grandchildren, Dustin, Ashley and Montana, James, Dana, Miranda, Courtney, Stanley, Sheila, Marcy, Mariah, and Shaun; great-grandchildren, Tony and Andre; and his brother, James.

He was preceded in death by his wife Ruth in 1994; great-grandchild, Tyler; and his brother, Sonny in 1988. Memorial services will be at 1 p.m. on Saturday, March 28, at Christ Episcopal Church, Delavan. Interment will be in the Memory Gardens in Arlington Heights, Ill., at a later date.

#### ***Bob Beutlich passed away in March of 2009.***

**Longtime "Secretary for Life" of the National U.S. Psychotronics Association... Bob was instrumental in putting on the Annual Psychotronics Conference held on a floating basis in different home cities of the local chapters.**

**We were the host local chapter when the Conference was held in Columbus at the popular University Plaza Hotel on the banks of the beautiful Olentangy River. Bob and Marie Peters of Phoenix books (<http://www.phoenixbooksLtd.com>) added to the convenience by supplying a treasure of Metaphysical and New Age Scientific volumes to the well attended Exhibitor's Area. We hosted the Conference for a number of years at this great location; the last being 2005; (and also several times previously at Bergamo Mt. Saint John in the wilds of Beavercreek Ohio).**

**For some foolish reason, certain members of "The Board" of Directors grew jealous of the vibrancy and vitality of Wisdom Quest Chapter (*under the leadership of Emerson King*) and decided to move the National Conference away from the verdant lush green of Central Ohio to the blistering parched desert of Laughlin Nevada in blazing July of 2006... Naturally no one showed up to this strange location, without even a local chapter to host. Then the National Conference moved to Chicago, home to "The Board", in 2007 and 2008 with sparse attendance. With the death of Bob Beutlich, no National Psychotronics Conference scheduled for 2009. Current USPA President and permanent Board Member Peter Moscow, along with permanent Board Members, Beverly Coleman and Glen Rein, seem content to keep the U.S. Psychotronics Association as a top-heavy mutual admiration society; complete with myriads of Byzantine By-Laws and hosts of Proceedings from Conferences long past.**

**For some foolish reason, the current leadership of the National USPA has decided to do away the local chapter structure entirely; citing obscure reasons from within the "By-Laws". Only trouble with this arrangement: there are now more "By-Laws" than members of the formerly great USPA...**
