About Ken Harsh - The Man Stones Talk To

Ken Harsh was born at a very young age, and was not sure that he belonged in his body for a number of years. He was at the head of his class and was always challenging to his teachers, his parents and himself. Life coincidences led him from college to a fish hatchery to a newly formed Government Environmental agency. He spent 15 years with the Ohio EPA; studying biology, hazardous wastes and toxicology while fighting valiantly against men who had no regard for the Earth. Then, one dark night, while deep in meditation, Ken heard a powerful voice that gave him the message: ***"Do Stones Again!"***. This sent Ken to his books and he became entranced by Katrina Raphaell's ***"Crystal Enlightenment"***. (At this point Ken was on his way to being legally stoned...)

About Ken Harsh - The Man Stones Talk To

As Ken's knowledge grew so did his communication skills with stones. While traveling in a car with a very wise Quartz Cluster (that did not like a cassette tape by Three Dog Night) it demanded to hear soothing music. This was the first time a crystal had talked to Ken and was the first of many such encounters. This very same crystal refused to be sold, did not like bright light, and sometimes was grumpy. Affectionately named "Grampa", this crystal grew a new crystal near its tip in honor of the 1987 Harmonic Convergence!

Ken's job became less important and soon he quit in order to immerse himself in a quest for knowledge. After several more compelling experiences from the trip to California's Crystal Congress and Sun Bear's Medicine wheel Gatherings, Ken Harsh began to teach about Crystals in early 1987.

Since 1987 Ken has taught hundreds of classes on many different subjects, but always centered around the Stone Kingdom. Ken leads expeditions all over the world, including to Ohio's own Serpent Mound.

Ken also is a driving force behind Ohio's successful ***"Universal Light Expo"*** held each October in Columbus: <http://www.universeexpo.com/>

Last month in October, Lightworker Susan Newton channeled the collective extraterrestrial consciousness "Elecktra" to the delight and amazement of 51 seekers of truth, who left \$121- in our "Love Basket". It seems that Elecktra corresponds to the "Seven Sisters" of Pleiades fame who were consigned by Zeus first into Doves; and then into Stars to comfort their father, Atlas, after he was forced to carry the Heavens upon his shoulders.

Susan Newton imparted much wisdom from the Collective Consciousness, Elecktra:

- Where Attention Goes - Energy Flows...
- Guides are always there; Invite them in.
- Children are growth tools for parents!
- Why is this happening to me... Again?!
- Be present, 100% Truth in the moment.
- "Discernment" instead of following like sheep. In dark moments, choose to smile. We are not sheep; We are Men and Women...
- Divinity is not a Christian Monotheistic Monopoly... as unfolding events now reveal.

The Pleiades: Seven daughters of the Titan, Atlas, and the sea-nymph Pleione born on Mount Cyllene. Since the Christian "Bible" was wholly plagiarized from Classical sources; who is to say we are more knowledgeable than the Hellenes?

Sincerely,
